the business of the firm has not been large of late.
Another fact which aroused a good deal of suspicion on the street was that, after the failure of Grovestein & Pell, Sistare's sons put in a claim of \$50,000 which was allowed, and took the greater part of the proceeds of the sale of that firm's seat in the Stock Fachange and immediately put Grovestein in charge of the uplown branch office. ## DIDN'T HAVE A QUORUM.

World's Fair Committee Members Neglect Their Last Duties. There was not a quorum of the member

years the city has given majorities of thousands to Democratic candidates.

They claim that the most barefaced frauda were practised in the Second District, and that Republicans were not allowed to vote.

They also claim that the balloting matchines were purposely broken in several precincts so that the frauds could be practised.

And above all they declare that the slection will be contested if Mr. George F. Perkins will take the initiative step.

The figures show however, that Mayor Oretes Cleveland has been re-elected for the sixth time.

The vote for Mayor by districts is, as near as can be ascertained, as follows:

First Dist. Cleveland 1, 1077, Serbins. 1125, First Dist. Cleveland 1, 1077, Serbins. 1012, First Dist. Cleveland 1, 1077, Serbins
